Freedom of Information Act

Policy for Handling Requests for Information

Freedom of Information

The Parish Council adopted the Model Publication Scheme which is available on the Parish Council website as from the adopted date on the 14th September 2020. This scheme will enable members of the public to view and access information held by the Parish Council.

Obtaining Information and Information held

There are three ways to obtain the information:

Parish Council web site

The web site holds the type of information which the Council routinely publishes e.g. minutes and agendas. The information you want may already be included in the publication scheme – so please check the documents on the web site first.

Inspect Documents held by the Clerk

If you wish to view certain documents, you should contact the Clerk, either via email, telephone, or in writing. Some documents require some time to locate, so it may be necessary to make an appointment. Please note hours of work are three days per week normally Monday, Tuesday and Thursday

Individual Written Request

If the information is not included in the publication scheme or on the web site, you may send a written request to

The Parish Clerk, Mary Gosling, 3 Cliff Terrace, Portreath, Redruth TR164LE

Your request must include your name, address for correspondence, and a description of the information you require.

Council's Response to a Written Request

Within 20 working days of receipt of your written request the Council will:

- confirm to you whether it holds the information
- advise you if a fee will be charged
- provide you with the information (after any relevant fee has been paid) unless an exemption applies (see 'Exemptions' paragraph below).

Fees

The Act only allows the Council to charge for answering Freedom of Information requests in the following circumstances:

- Disbursement costs such as printing, photocopying, and postage; and
- When estimated staff costs involved in locating and or compiling the information exceed £450. Under these circumstances, the Council can refuse the request on the grounds of cost, or charge the applicant £20 per hour, plus disbursements for the estimated work.

For the majority of requests, or a series of requests from the same applicant within a 12 month period, it is expected that the charge for locating and compiling information will be less than £450 and therefore, except for disbursement costs, no reimbursement can be sought. However, where costs are estimated to exceed £450 (based on an hourly charge-out rate of £20), the Council can decide to:

- refuse the request; or
- comply with the request and charge for allowable costs as prescribed in the regulations; or
- comply with the request free of charge.

If the estimated cost of a request is more than £450, and it is decided to release the information and make a charge for the information then:

- A fee notice will be sent to the applicant requesting the appropriate fee.
- The request will not be answered until the fee has been received.
- If the actual cost of completing the request is more than the estimate then the Council will incur the additional cost.
- Where the cost is less than the estimated cost then the difference will be refunded to the applicant.

For disbursements costs, it is proposed that the Council will charge 15p per sheet for photocopying and printing documents, and recover the actual cost of postage or any other transmission costs from the applicant.
