186/20	The were no declarations of interest.	
187/20	Planning application, PA2007393 - Members objected to the proposal at Laity Farm for a side extension. They felt the extension was not in character with the existing building and fails to reflect the original design of the existing building. The existing building is attractive in style and has importance in its heritage. The proposal does not reflect its sense of place. Two trees would be impacted on which are not mentioned in the application. The window of the eastern elevation would also be blocked by the proposal, on the existing house. Members felt a more sympathetic extension could be considered.	
188/20	Planning application, PA20/07609, 8 Chapel Hill. After a discussion, members concluded there were no objections to this application. END
